

Year 2 Teachers Earn Clear Credential

Preparing Next Generation Teachers

SAUSD TIPS is pleased to acknowledge 65 candidates will be recommended for the California Clear Credential. That means they have engaged in collegial conversations centered on teacher inquiry related to professional development and improved student achievement. TIPS will be busily completing the online application process for these teachers. Congratulations teachers! We hope to see you take on the role of Support Provider in a few years!

Showcasing their Key Learnings

SAUSD Teacher Induction candidates shared their growth at the annual TIPS Share Fair. The room was abuzz with our teacher heroes who communicated their learning in a variety of ways. The prompts that guided their presentations were:

- What have you learned about yourself as a teacher?
- What have you learned about your students?
- Describe a piece of evidence that best illustrates a change in our teaching.
- What will you investigate or focus on next year?

Education Specialist Induction Begins 2016/2017

We are pleased to announce that SAUSD will be providing an induction program for our Education Specialists. Teachers who hold a Preliminary Credential in this area must contact our office. Dawn Aguila will be the Program Specialist, so be sure to ask for her! We are pleased as punch to have her join the TIPS bunch!

Share your awesome!
Do you remember what it was like to be a new teacher? It can be a lonely and intimidating experience if you do it alone. Consider supporting a new teacher.

Serving as a Support Provider is rewarding. It allows us to prepare the next generation and share what we know.
